

## **NO HEALTH CARE 2004 = NO KIDNEYS 2008**

- ✳ This is what losing your kidney function looks like.
- ✳ This is what our 'uniquely American' system of health insurance looks like.
- ✳ This is what not having health care for a year and a half when you're diabetic and have high blood pressure looks like.

**Our American health care system is as broken as my kidneys.**

***I DON'T WANT SYMPATHY!***

***I WANT UNIVERSAL  
SINGLE PAYER HEALTH CARE!***
